Note: Visits by cruise ships to the Great Barrier Reef require government approval. Holland America Line has obtained government approval. There is a possibility, however, that government approval may be denied or withdrawn if a change is made in the applicable governmental requirements.

Note: Visits by cruise ships to Antarctica require government approval. Holland America Line has obtained government approval for this cruise. There remains the possibility, however, that this approval could be withdrawn if a change is made in applicable governmental requirements. Exact itinerary will depend on permissions, weather, ice conditions and time available. There will be no landings in Antarctica.

Note: Visits by cruise ships to the Great Barrier Reef require government approval. Holland America Line has obtained government approval. There is a possibility, however, that government approval may be denied or withdrawn if a change is made in the applicable governmental requirements.

Note: Visits by cruise ships to Antarctica require government approval. Holland America Line has obtained government approval for this cruise. There remains the possibility, however, that this approval could be withdrawn if a change is made in applicable governmental requirements. Exact itinerary will depend on permissions, weather, ice conditions and time available. There will be no landings in Antarctica.
